

We are looking to add to our team with a full time pharmacy assistant or technician. Our rural retail environment is perfect for someone looking to work in a patient-centered yet fast-paced pharmacy. Plus, we are located only 30 minutes from Edmonton.

Our pharmacy offers:

- Blister packing
- Compounding
- Administering injections
- Private counseling room
- AADL services
- Medication reviews
- In-store clinic days
- Weekly medication deliveries

The ideal candidate possesses:

- Minimum 3-5 years' experience in a retail pharmacy environment

What we offer you:

- Competitive wages (commensurate with experience)
- ACP membership and insurance coverage paid in full annually (for technician)
- Benefits after 3 months
